# MATTRESS PROTECTORS

- 2 Types of Mattress protectors are available – QUILTED MATTRESS PROTECTORS or PADS & WATERPROOF (PU COATED) FITTED SHEETS
- QUILTED are with a top and bottom fabric with an innerlay of PolyFibre Wadding sheet. These are fixed with 4 cross stitched elastic bands on the bottom side.
- WATERPROOF are cotton fabrics in Terry or Plain with the bottom side PU laminated. These are made as fitted sheets with lycra fabric on sides.
- Both are machine washable.
- Quilted spreads the liquid whereas the waterproof completely protects the mattress below.
